

Eric Wargotz, U.S. Senatorial Candidate from Maryland to Appear on The Neal Asbury Show the Week of December 31st.

U.S. Senatorial Candidate (R) and (Elected) Commission President, Eric Wargotz is an experienced leader and activist; a physician-businessman, conservative, and conversationalist. He knows what it takes to work as a team and to build consensus on difficult matters. He has the experience, knowledge and will to make the tough decisions. Eric is a former Governor's Appointee to the Board of Physician Quality Assurance. While his formal training as a physician and expert-

ise in health care issues and policy prepare him for public service in these areas, his interests are broad including those affecting the development of strong, healthy communities. He has been a volunteer in a variety of activities serving as an assistant coach for Little League and Flag football, working with Adopt-A-Bear Foundation, as a board member of the Queen Anne's County Teen Drug Task Force: assisting in steering its incorporation into a Council within the County government. He served as a volunteer with Queen Anne's County Cares, a hurricane Katrina relief effort assisting Hancock County, Mississippi.

Eric Wargotz is a physician-businessman managing several medical businesses. He served as a Laboratory Medical Director for 17 years responsible for administering and managing a busy hospital department including operating and capital budgets, manage-

ment team and employees totaling over 100 at times, and scrutinizing department. and hospital activities to ensure proper utilization of resources. He currently serves as an independent consultant and contractor in that field. He is former President of the Queen Anne's County Medical Society (QACMS 2000 – 2004) and is Clinical Professor of Pathology at the George Washington University Medical Center. As President of QACMS he worked to expand membership, champion physician and patient issues and with community leaders and organizations sought to develop programs that benefit the public health and welfare of the community as a whole. The County Commissioners awarded him a certificate of appreciation in recognition of "civic and
